**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Tuesday, October 22, 2024:

MINUTE entry before the Honorable Steven C. Seeger: The motion for preliminary approval of class action settlement (Dckt. No. [71]) is hereby granted. The parties reached a settlement in principle after engaging in arms-length settlement negotiations with Hon. Jay C. Gandhi (Ret.) of JAMS. The parties exchanged discovery to facilitate productive discussions in that mediation. In the end, the parties reached a deal, as reflected in the settlement agreement. This Court has reviewed the settlement agreement and the related submissions in support of the motion. When it comes to the settlement payment includes a floor and a ceiling. Under the terms of the settlement, Discover has agreed to pay affected entities a total of no less than \$500 million. The settlement agreement also limits the Total Settlement Payment to \$1,093,735,923 (which is the total of all MID Amounts calculated under the Methodology, other than interest to be calculated for partial year 2024), plus interest. Based on the submissions, the Court grants preliminary approval to the proposed class action settlement. The Court preliminarily finds that the settlement is fair, reasonable, and adequate. The Court finds that the notice to the proposed settlement class is reasonable. The class representatives and class counsel appear to have adequately represented the proposed class. The proposed settlement appears to satisfy all of the other requirements of Rule 23(e). The requirements of Rule 23(a) and Rule 23(b)(3) appear to be satisfied, too. The Court hereby certifies the proposed settlement class. Order Granting Preliminary Approval of Class Action Settlement to follow. A final settlement approval hearing is set for November 6, 2025 at 11:00 a.m. Mailed notice. (jjr, )
